AN EXTRA SPECIAL GIFT

Naming a new rose is often a very expensive procedure and well out of the price range of most people. However you can now name a single rose bush for a loved one at a reasonable price and give them a once in a lifetime gift. We have an un-named crop of roses in stock for which you can now choose any name you wish providing it is not already in use. . (we can advise you on that) Our Un-Named Rose Bush is a beautiful new Floribunda which is covered in superb rich pink blooms with a lighter centre and attractive golden stamens. A delightful little rose with the added bonus of a wonderful perfume and masses of blooms all summer long. It grows to around 2ft and will be quite at home in the garden or a container. If the new owner of your Rose Bush is not an experienced gardener, not to worry, as we include our Rose Care Leaflet with each rose. Your Rose Bush comes with a colourful printed label with a picture of the rose, plus the name of your choice. In addition each rose is supplied with a Certificate stating that this rose has been personally chosen and named for the recipient. We also include a greeting card with your personal message.

Once you have chosen a name for your Rose Bush it can be delivered by carrier in approximately 24hrs. Each Rose Bush is potted in an special Rose Pot and packed in a strong container to ensure that it arrives in pristine condition. (Available all year round.) Full details are available on our web site.

£39-95. (Price includes Post & Packaging)
